

# HCA WANTS YOU!

HCA is one of the nation's leading providers of healthcare services, comprised of locally managed facilities that include 160+ hospitals across the U.S. and U.K. We know the positive difference that hiring veterans can make. In fact, we've hired more than 4,500 in the last year alone... and we're not done. So if you or your spouse is a veteran leaving the military and you're interested in healthcare, HCA might be the place for you.  
**HCA thanks you for your service.**
